MEMORANDUM FOR: Members of the Vietnam Information Committee

SUBJECT : Election Memorandum

At Mr. Rostow's request, I am sending all members of the Vietnam Information Committee a copy of an unclassified memorandum we recently prepared analyzing the results of the September 1967 South Vietnamese presidential election. This memorandum has no official status but was informally coordinated with our colleagues in the Department of State during its preparation. The data is all overt and has been double checked with the field for reliability. This is the memorandum discussed briefly in the closing moments of our 26 August meeting. Some of you received copies at that time, but Mr. Rostow asked me to ensure that every Committee member had at least one copy.
